The Greatest Stroke Instruction and Training Anywhere

TOLLEFSON SWIMMING

Beginning Swimmers Stroke Classes
 For young swimmers not yet able to swim a length of the pool, these classes are limited to those with the instructor in the water. Swimmers learn proper breathing, head position, body position, and leg and arm movements in backstroke and freestyle.

Intermediate and Advanced Swimmers Stroke and Technique Classes
 These classes are for all swimmers able to swim the length of the pool in freestyle and backstroke. With a class limit of six, students are hand-selected for placement assuring maximum progress. Swimmers learn intermediate and advanced techniques in the four competitive strokes as well as starts, turns, and finishes.

Training/Endurance Classes
 These are 45 or 90 minute practice sessions for intermediate and advanced swimmers. Swimmers practice skills learned in stroke class to increase strength, speed, and endurance and will swim from 900 to 4,000 yards in each class.

Competitive Swimming
 Team Tollefson provides fun and competition for advanced swimmers of all ages. As a part of Potomac Valley Swimming and USA Swimming, Team Tollefson swimmers practice and compete throughout the year.
