*The Greatest Stroke Instruction and Training Anywhere*

**TOLLEFSON SWIMMING**

**Beginning Swimmers Stroke Classes**  
 For young swimmers not yet able to swim a length of the pool, these classes are limited to those with the instructor in the water. Swimmers learn proper breathing, head position, body position, and leg and arm movements in backstroke and freestyle.

**Intermediate and Advanced Swimmers Stroke and Technique Classes**  
 These classes are for all swimmers able to swim a length of the pool in freestyle and backstroke. With a class limit of six, students are hand-selected for placement assuring maximum progress. Swimmers learn intermediate and advanced techniques in the four competitive strokes as well as starts, turns, and finishes.

**Training/Endurance Classes**  
 These are 45 or 90 minute practice sessions for intermediate and advanced swimmers. Swimmers practice skills learned in stroke class to increase strength, speed, and endurance and will swim from 900 to 4,000 yards in each class.

**Competitive Swimming**  
 Team Tollefson provides fun and competition for advanced swimmers of all ages. As a part of Potomac Valley Swimming and USA Swimming, Team Tollefson swimmers practice and compete throughout the year.

**Plus...** Adult Swim Classes, Triathlon Training, Red Cross Life Guard Classes

### Iona Brown Award 2023

#### Jon Walkup Automation Coordinator Fallsmead Sharks

Jon Walkup, Fallsmead Sharks long-standing Automation Coordinator, has been a valued member and parent volunteer of the Fallsmead Sharks family for the last 22 years. Jon and his wife Julie have 3 children - 2 sons and a daughter, aged 28, 25 and 21. For many years they hosted a Russian student each summer who also swam on the team. In recent years they opened their home to a homeless family with 5 children who also spent several years as Fallsmead Sharks. Their family has supported 9 kids through 20 seasons on our team!

Jon has been with our team for 22 seasons, and has spent most of them as our Automation Expert and Historian Extraordinaire. His commitment to the team and to MCSL is unwavering, and although he no longer has swimmers on the team, he still takes on all of our team automation with willingness and enjoyment. Every week he spends many hours at our A and B Meets, exchanging lineups, preparing heat sheets, printing programs, and ensuring everything runs smoothly. Outside of the team reps, Jon easily has one of the biggest responsibilities on our team and in the Division. Jon also is an avid team historian. He keeps meticulous MCSL records for our team, and our website has a wealth of information - historical data, team records, pool records, all-time top 10, retired records, and wins/losses against every other MCSL team in the league. Our 50th Anniversary celebration (2022) was an opportunity to show off Jon's hard work and our Alumni were so appreciative of their ability to walk down memory lane as they viewed Jon's collection of Fallsmead history, team photos and stories. He knows every one of our swimmers, and celebrates all of their successes and victories. Every season he is instrumental in gathering data for, and ordering trophies and awards.

Most of the reps in the lower MCSL Divisions are very familiar with Jon, and are so happy when he is in charge of automation for a Meet or the Division because we know everything will be seamless. Jon is regularly helping new Automation Assistants learn the ropes, by answering questions, sharing tips and having them shadow him at meets. Jon is frequently our Division Automation Lead, and in our 10 years as A-reps for the team we have never been to a Divisionals planning meeting without him! Jon Walkup has volunteered hundreds of hours over 22 seasons, through 9 kids and now just for the benefit of the team and the neighborhood. He is well known in the lower Divisions as an extremely well-seasoned automation expert, and is an invaluable member of the Fallsmead Sharks and the MCSL volunteer family.
